Carrara White (92-)	233H	46586	91111	L9694	22479
Nocturne Blue Metallic (92-)	234H	46587	18344	L9695	22480
Eucalyptus Green Metallic (92-)	235H	46588	47122	L9696	22481

Notes:

- For refinishing work, always use color and thinning materials of the same brand for best results.
- Anthracite Grey is the color for bumper covers (excluding color keyed bumpers on certain 9000 5-door models) and 900 SPG shields. Use preparation and paint materials suitable for flexible plastic when refinishing such parts.
- Mica and metallic colors are clear coated.
